

# HAPPY AND HEALTHY

## WHAT EVERY PARENT AND CARE-GIVER WANTS

Even the healthiest infant experiences discomfort or irritability at times, often it's when they are teething or over-tired. Naturo Pharm recognises the important role homoeopathy has to play in meeting the needs of the whole family, including its youngest members. Naturo Pharm's products are suitable for use by babies and young children and the "Baby" range provides support and natural healing for many of the issues that commonly occur in the first few years of life. The products available include:

**Calm-med** - supports normal infant response to distress and has beneficial calming and settling properties.

**Colimed Relief** - aids normal digestive function and stomach comfort in babies.

**Earmed Relief** - supports ear health and middle ear function and aids the body's natural response to discomfort, balance and noise disturbance.

**Fevamed Relief** - supports the body's response to temperature imbalances.

**Teethmed Relief** - provides support for infants during the teething process.

Naturo Pharm products contain no drugs and are suitable for use by the whole family, irrespective of age. Naturo Pharm's "Baby" range products are only available in oral sprays, which are convenient, easy to use and offer the fastest action of all medicinal dose forms<sup>(1)</sup>.
