

FOR ALL SPORTS PEOPLE

FROM RECREATIONAL TO PROFESSIONAL

We all want to achieve our best. Naturo Pharm products support performance and recovery but can also help you maintain good health when faced with injury or an everyday issue such as a winter ill or a stomach upset. Some issues can be physical, while others, such as pre-competition nerves, are mental.

Naturo Pharm has a comprehensive range of products that are easy to use and suitable for use by all sports people as they do not contain drugs, stimulants or banned substances. Some of the products you might find useful include:

Arnica plus – supports rapid response to bruising, fatigue, injury, shock and trauma and aids natural muscle recovery after strenuous exercise or exertion.

Panicmed Relief – aids the body's normal reaction to anxiety and panic and is calming and settling for the mind.

Restore-med – aids the body's natural ability to cope with emotional and physical trauma, distress, exhaustion and fatigue.

Sports Action Anti-Cramp – aids the body's natural response to involuntary muscle contractions and tightness caused by exercise or sporting activity. Supports normal muscle function and movement.

Sports Action Recovery – aids the body's natural response to the build up of lactic acid in the muscles and supports normal muscle recovery after exercise.

Sports Action Recovery Cream – helps promote rapid natural recovery from the strains of sporting activity.

Naturo Pharm products contain no drugs and are suitable for use by the whole family, irrespective of age. Many are available in oral sprays, which are convenient, easy to use and offer the fastest action of all medicinal dose forms⁽¹⁾.
