Naturo Pharm has recognised the important role homoeopathy has to play in everyday life and has a range of products that have been formulated to help you maintain, or regain, good health this winter. The products available include:

A.G.E. - activates immune response to winter ailments when taken at the first sign of symptoms.

C-Blain - supports natural response to winter circulation problems.

Coldmed Relief - assists natural immune response to winter ills and chills.

Colsor - helps support immune response and defences for the lips, mouth and face.

Coughmed Relief - helps normal immune response to coughing.

Flu-Guard - supports and activates immune defences and response to winter ills.

Sinumed Relief - helps to clear nasal passages and throat and assists normal breathing.

Throatmed Relief - assists the throat's normal immune response and function and is beneficial for clear airways.

Naturo Pharm products contain no drugs and are suitable for use by the whole family, irrespective of age. Many Naturo Pharm products are available in oral sprays, which are convenient and easy to use and also offer the fastest action of all medicinal dose forms⁽¹⁾.
